Pixera Expands with New Office in Japan

Pixera Corporation, Los Gatos, CA, USA - August 1 2001

As of August 1, Pixera Corporation expanded its operations by opening up a new office in Japan. "The new office is to expand and deepen our presence in overseas markets says Yuji Ide, the CEO of Pixera Corporation". The new office will primarily focus on sales and increasing Pixera's market share in the scientific imaging, industrial imaging and security/surveillance markets. Other function will be customer support and product development support.

The primary contact in Japan is Mr. Toru Hayashi, Director of Sales
